

SCHOOL READINESS TAX CREDITS

In 2007, the Louisiana Legislature passed a unique package of state tax credits known as the School Readiness Tax Credits (SRTC). For Louisiana businesses, there is a refundable state tax credit for donations made to Louisiana Child Care Resource & Referral (CCR&R) agencies, such as the Children's Coalition for Northeast Louisiana.

Businesses can receive a dollar-for-dollar refundable credit on Louisiana State taxes, up to \$5,000, for contributions made to the Children's Coalition for Northeast Louisiana. This initiative, known as the School Readiness Tax Credit, allows businesses to direct their tax dollars towards early childhood care and education, supporting programs that build a strong foundation for children's future success. By investing in the Children's Coalition, businesses help increase local support and improve the quality of child care throughout Northeast Louisiana.
